A SPECIAL COLLECTION FROM AN AWARD-WINNING STUDIO

Timeless yet innovative, the Fastrak Europe collection features the best textures created by the award-winning Versa Designed Surfaces design studio. In this collection you will find beautiful contemporary textures, classic linens, silk effects and natural weaves specially selected for the European market. The designs are very usable for hospitality, healthcare, public, corporate, education and retail spaces worldwide. Perfect for creating a serene ambiance in any space.

Fastrak is designed and manufactured to strict US standards for quality, performance and sustainability. All items are high quality fabric-backed, Type I 15 oz. (340 grams/m²) vinyl contract wallcovering and meet both European and American fire standards (Euroclass EN13501 (B-s1,d0); BS476 Part 6/7-British Class 0 & Class A – ASTM E84).

To view the complete portfolio of vinyl designs as well as the newest technical developments including wall protection and PVC-free wall coverings, please visit versadesignedsurfaces.com. Versa's in-house design studio is also available to create custom designs to meet the specific needs of any project.

With over 65 years of experience in providing high quality wallcovering products around the world, Versa Designed Surfaces is a trusted resource for achieving your design vision.
